**IMPORTANT NEWS ABOUT YOUR STATE ASSISTANCE WITH EMPLOYER-SPONSORED INSURANCE**

\*\*\*\*\*

***IF YOU HAVE EMPLOYER-SPONSORED INSURANCE***

Part of your benefit is help with paying cost-sharing for services related to certain chronic conditions. The state recently added naturopathic physicians as providers of covered services. If you see a naturopathic physician related to your chronic condition, your share of the costs for those visits may now be covered. Please call Health Access Member Services for more information on the chronic conditions that are allowed for this benefit.
